What is Group Term Life Insurance?

Group Term Life Insurance is offered through the Midwest Coalition of Labor Trust (MCL) and pays a benefit to your beneficiary if you pass away during a specific period of time (known as a “term”). The term of this coverage is generally one year, renewing on an annual basis with your other MCL-offered benefits. MCL offers Basic Life Insurance and Accidental Death and Dismemberment Insurance, which is the amount they provide at no cost to you. You also have the option to elect additional coverage called Supplemental Life Insurance.

What is Accidental Death and Dismemberment (AD&D) Insurance?

AD&D Insurance pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. This coverage is part of the Group Term Life Insurance coverage offered through MCL.

How can life insurance help?

Below are a few examples of how your life insurance benefit could be used (coverage amounts may vary):

- Pay off any remaining medical bills, funeral costs and debts
- Provide ongoing financial support to your family
- Keep your family in your home by paying off the mortgage
- Fund your children’s education

Who is eligible for life insurance?

- You—all members that are actively paying dues.
- Your spouse*— If your spouse is covered under the policy as a member, then your spouse is not eligible for coverage under the spouse rider/benefit. Coverage is available only if Member Supplemental Life Insurance is elected.
- Your children—to age 26. Coverage is available only if Member Supplemental Life Insurance is elected. If both you and your spouse are covered under the policy as members, then only one, but not both, may cover the same children under the children’s rider/benefit. If the parent who is covering the children stops being insured as a member, then the other parent may apply for children’s coverage.
